

## STG Referral Program Sheet

You can earn up to a 10% discount on your installation! Do you know anyone, whether it be a friend, relative, colleague, or client that can use the benefits of our services? If so, please help us earn their respect and business by providing some basic contact information. Today, referrals are important as social networking to form a solid business foundation and we need your help to grow our foundation. As an added benefit, if a referral turns into a sale we will provide a free service for you in the future (trouble shooting, adjustments, cleaning, etc.). We want to thank you in advance.
